

Bethel Preschool April Newsletter 2018

WELCOME BACK to everyone after such a wonderful Spring Break. We are so excited to start exploring the wonders of spring! We hope you all had a wonderful Spring Break with your families.

We would like to take this opportunity to thank everyone for all the help with the annual rummage sale. The sale was quite profitable, bringing in over \$5100! This sale is our major fundraiser, and its success depends on the efforts of all our volunteers. The proceeds from the sale help to keep tuition costs down, and help to purchase big-ticket items that cannot be included in the annual budget. This year we are going to use part of the proceeds from the sale to purchase new playground equipment and new wood chips. Thank you all again for your continued support.

We are still looking for children to register for our fall 2018-19 classes. Our best advertisement is word of mouth from our Bethel family, so please pass the information about Bethel Preschool to any new families whom you think would benefit from our Christ-centered early learning programs. Please invite them to contact us at 847-244-9672 or preschool@bethelgurnee.org for more information and a tour of our classrooms.

Find us on the web at:

Mark Your Calendar!!!

April 7 – UW Whitewater Conference

April 11 – Bookmobile

April 25 – Devotion with Pastor Squires

Alleluia! He is risen! What a joy it is to be able to share this beautiful message of salvation with the little ones who attend Bethel Preschool.

Spring is in the air! We are greatly looking forward to hearing about and looking for signs of spring in the classroom and on our playground. Hopefully the weather will cooperate and warm up enough to allow the children to be successful at bird & bug watching and leaf & bud observing. Please remember to send your child to school in gym shoes and appropriate outerwear so we can play outside comfortably.

Thank you God for Spring!

The Preschool teachers are looking forward to attending the annual early childhood conference at the University of Wisconsin – Whitewater on Saturday, April 7. It is refreshing to hear interesting speakers on a variety of topics related to early childhood education. We always come back invigorated with new ideas to share with the children in the classroom.
