

Bethel Preschool December Newsletter 2016

December Preschool News

With the arrival of Advent, our daily focus in preschool turns to preparations for the coming of that special baby, Jesus. The children will make tiny advent wreaths and advent calendars to help them count down the days until Christmas. We will be listening to Christmas music and learning to sing special songs of welcome for God's most wonderful gift, our Savior. Costumes will help the children get into their roles as Mary and Joseph as they retell the beautiful Christmas story. During Advent Kathy Schwartz, a Bethel Church member, will be helping each child to make a beautiful Chrismon ornament for one of the two church trees. Santa's Secret Shop will be open and the children will be making a gift for their family. Sparkling glitter will be everywhere! During this preparation time we invite any interested Bethel parents and/or grandparents to come to class to help us with our preparations or to share their family traditions with us. All our preparations will culminate in birthday celebrations for Baby Jesus on Wed. Dec 21. Parents/families will be invited to join us for Devotions with Pastor Squires followed by cookies and treats in the Fellowship Hall.
