

Bethel Preschool March Newsletter 2016

As March begins, the teachers will tell the children the stories that lead up to our celebration of Easter. We begin with the story of Jesus visiting the Temple in Jerusalem as a young boy. By starting with this story from his boyhood, we help the children to understand that Jesus was once a child growing up in a family just as they are. We continue with the stories of miracles Jesus did around Galilee: changing water into wine, calming the storm on the sea, and healing the sick. These stories help the children to understand that Jesus is not only a man but also the Son of God. Our storytelling culminates with the greatest story of all: how Jesus suffered and died for us sinners, but rose triumphantly on Easter.

Pizza Power!

Our friend Mrs. "O" from the Lake County Farm Bureau will visit us once again in March. This time she will present her Pizza Power Presentation. It should be a great day, we really enjoy the Agriculture in the classroom program.
