

Bethel Preschool May Newsletter 2018

With the arrival of the month of May, we have reached the end of the 2017-2018 preschool year. The little ones, who were afraid to come or to leave their parents last fall, are now eager to arrive and start their preschool days. Many have made friends with other children and now happily share and play cooperatively. They've all grown taller and become more capable and coordinated. Most importantly, all can tell you about their best friend, Jesus, who came as a baby at Christmas, grew to manhood, did marvelous wonders for his friends, made the ultimate sacrifice for us sinners on Good Friday, and rose again on Easter morn.

Our classroom caterpillars are arriving next week. (With it being so cold, we decided to wait.) The caterpillars will give the children the opportunity to watch an amazing metamorphosis.

During the beginning of May, the children will be busy making special projects for Mother's Day. During the very last week of school, they will also make a gift for their Father. Mothers and Fathers are special gifts from God. The example of loving parents is the child's first model of our loving heavenly Father.

Fri. May 4 – Parent Teacher Conferences 3day only
Fri. May 25 - Closing Day Program and Devotion

Closing Program and Devotion 10:30 AM (both classes)

FRIDAY MAY 25, 2018

Parents and families are expected to attend the closing program on the last day of school. We will gather in the church sanctuary for our closing devotion with Pastor Squires and then gather in the Fellowship Hall for refreshments and our last goodbyes.

The month of May starts off with parent-teacher conferences for the **3 Day (MWF) families** on Friday, May 5. We get to tell the parents about how their child has grown, and how their child's kindergarten readiness skills have developed during this school year. The students in the **2 Day (WF) class** had their conference back in November. They will however receive an updated evaluation from their teachers during the last week of school.

Registration for the 2018-2019 school year is open. There are plenty of spots open in our 2day, 3day and Preschool Playtime classes.
